Issue: 06/2025

❖ CLIMATE ACTION CAMPAIGN

A One-Day State Level Workshop on AP Climate Action Campaign was organized on 4th July 2025 at Vijayawada by the Commissionerate of Collegiate Education, Government of Andhra Pradesh, in collaboration with the Indian Red Cross Society, AP State Branch. Dr. K. Surya Chandra Rao, Principal of Government college for Women, Srikakulam participated in the workshop, which aimed to create awareness and promote initiatives towards climate action in the state. The sessions focused on strategies for environmental conservation, sustainable practices, and the role of educational institutions in combating climate change. The workshop brought together principals, educators, and stakeholders from across Andhra Pradesh to exchange ideas and develop actionable plans for climate resilience.

❖ Awareness programme on PCPNDT Act 1994

An awareness seminar on the prevention of child marriages and the *Pre-Conception and Pre-Natal Diagnostic Techniques (PCPNDT) Act* was organized on Wednesday 9th July 2025 at Government College for Women (Autonomous), Srikakulam. Smt. S. Vijaya L. Mohini, Deputy Health Education Officer, addressed the gathering and emphasized that child marriages cause significant physical, emotional, and social harm. She urged the students to gain thorough knowledge of the Gender Determination Act and its role in protecting the rights of the girl child. The programme aimed to educate students and staff about the provisions of the PCPNDT Act, its significance in preventing gender-biased sex selection, and the legal measures in place to safeguard the rights of the girl child. Resource persons highlighted the importance of public

awareness and community participation in ensuring effective implementation of the Act. She further stated that girls are excelling in all fields and should be empowered to pursue education and career opportunities without societal barriers. The session concluded with an interactive discussion encouraging students to spread awareness in their communities. Faculty members Smt. Y. Prasanthi students, and invited guests actively participated in the session, which concluded with an interactive discussion on ethical and legal responsibilities in promoting gender equality.

❖ 3-Day Workshop On Web Development

The Hackathon-2025 organized by the Women's Degree and PG (Autonomous) College was very useful for the students. The three-day 'Hackathon' workshop, organized by the Department of Computer Science and Applications of the college in collaboration with Edu Tech, concluded

on Friday from the 9th to the 11th of this month at the college seminar hall. Experts from Speczy Solutions explained about Artificial Intelligence. Hands-on training was provided to the students on Web Development Generative AI. Around 270 students from various colleges including the our college participated in the prestigious workshop. The first two days were dedicated to web development technologies, prompts on engineering and generative AI, they also provided awareness on LinkedIn profile optimization. They directly practiced with the students and instilled new enthusiasm in them. On the last day, the students were divided into teams and a hackathon coding competition was organized and prizes were given to the winners. College Principal Dr. Kinthali Suryachandra Rao said that in the changing technological era, students should increase their awareness of advanced technologies. Cloud Solutions CEO Yogendra said that if the creativity hidden in students can be identified early, they can be developed to a higher level. He explained that there are plenty of opportunities in the digital era. Vice Principal Dr. N. Chinna Rao, IQAC Coordinator S. Padmavati. Academic Coordinator K. Mounika, Controller of Examinations T. Adilakshmi, Dr. S. Vanikumari, JKC Coordinator I. Srilakshmi, S. Madhavilatha, S. Purnima, faculty members and students participated in the programme

❖ World Population Day

A World Population Day program was organized at the Government Women's Degree College on the issues of global population, development constraints and other issues. The meeting, chaired by the college principal, Dr. K. Suryachandra Rao, called for awareness and awareness that the country's development can be realized with a limited population and that skilled human resources are very necessary. Dr. Aravind, Dr. Rama Rao, teachers of the Government Women's College, T. Adilakshmi, and hospital doctors, Dr. P. Revathi and others participated in the program.

పరిమిత జనాభాతో దేశాభివృద్ధి

మహిళా దీగ్రీ కళాశాలలో ప్రపంచ జనాభా దినోత్సవం

❖ Job Mela

MLA Gondu Shankar said that the government's goal is to create jobs for the youth. The mega job fair organized by the State Skill Development Organization was inaugurated on Monday at the Government Women's Degree College. Ten private companies, chaired by Principal Suryachandra, conducted interviews for 475 job

vacancies. Speaking on the occasion, he said that job fairs are being organized under the auspices of Skill Development in Srikakulam constituency. He advised to take advantage of unemployment opportunities. Along with education, he wanted the youth to develop these skills in everyone. Chief Minister Nara Chandrababu Naidu, Deputy Chief Minister Pawan Kalyan, Education Minister Nara Lokesh, Union Minister of Civil Aviation Kinjarapu Rammohan Naidu, Agriculture Minister

Kinjarapu Achennaaidu said that steps are being taken to provide employment to the youth. District Skill Development Officer Saikumar said that unemployed youth from various parts of the constituency attended the event. Those who got jobs should not miss the opportunity. They should join their duties. They said that if they work hard, there will be a future. TDP town president Madhavarapu Venkatesh, senior leaders, TNSF president Reddy Girijashankar, TDP BCSEL town presidents Ungati Ramanamurthy, Ch. Chinna Rao, representatives of various companies and officials participated in the event.

❖ CSP Evaluation

The *Community Service Project (CSP) Evaluation* was conducted at Government College for Women (Autonomous), Srikakulam from 14th July to 16th July 2025 in the college campus.

All the departments of the college actively participated in the evaluation process. Students from different branches attended the sessions and shared their observations, field experiences, and learnings gained during their community service activities.

The programme provided a platform for students to reflect on their contributions to society, exchange ideas, and discuss the impact of their projects on community development. Faculty members guided and assessed the presentations, appreciating the efforts of students in addressing social issues.

❖ Short term internship Evaluation

The *Short-Term Internship Evaluation* was conducted at **Government College for Women (Autonomous), Srikakulam** from **17th July to 19th July 2025** in the college campus.

All the departments of the college took part in the programme. Final year students from different branches attended the evaluation sessions and shared their internship observations, experiences, and key learnings. Faculty members assessed the presentations and appreciated the students' efforts in connecting academic knowledge with practical exposure.

❖ Swatch Andhra and Swarna Andhra

The *Department of Botany* organized an Awareness Programme on Ending Plastic Pollution on 18th July 2025 at Government College for Women (Autonomous), Srikakulam, under the Swachh Andhra Swarna Andhra (SASA) initiative.

Dr. K. Surya Chandra Rao, Principal, addressed the student gathering and emphasized the harmful effects of plastic on the environment and the urgent need for sustainable practices. Dr. N. Chinna Rao, Vice-Principal, also highlighted the ill effects of plastic usage and stressed the importance of adopting eco-friendly alternatives.

The programme was actively supported by Smt. S. Rudrama Rani, Head of the Department of Botany, along with faculty members Dr. S. Padmavathi (IQAC Coordinator), Smt. T. Adi Lakshmi (Controller of Examinations), and Smt. K. Mounika (Academic Coordinator). Their participation and guidance enriched the session and motivated students to take a pledge towards reducing plastic usage. The event concluded with an interactive session where students shared their ideas and commitments for promoting a plastic-free environment.

❖ Pledge on Swarna Andhra

On 19th July 2025, a *Pledge on Swachh Andhra – Swarna Andhra* was organized at Government College for Women (Autonomous), Srikakulam. All NSS Volunteers and students actively participated in the programme. As part of the activity, students took a pledge to maintain cleanliness and contribute towards a cleaner environment. They also engaged in cleaning their classrooms and the surrounding areas of the college campus. All the staff members encouraged the students to actively involve themselves in the Swachh Andhra and Swarna Andhra initiative, thereby fostering responsibility and collective participation in keeping the campus clean and green. The initiative aimed at creating awareness among students about their duty in promoting hygiene and supporting the vision of a *Clean and Green Andhra Pradesh*.

❖ Competitions on RTI Act 2005

On the occasion of completing 20 years of the Right to Information (RTI) Act, 2005, various competitions were organized at Government College for Women (Autonomous), Srikakulam from 26th to 28th July 2025 at the college level. The events included Essay Writing, Elocution, Quiz, and Debate. This programme was an initiative of the State Information Commission, with the support of the Commissionerate of Collegiate Education, Vijayawada.

The RTI Act, 2005 is a landmark legislation enacted by the Government of India that empowers citizens to seek information from public authorities, thereby ensuring transparency, accountability, and good governance. It plays a vital role in combating corruption, strengthening democracy, and enabling citizens to actively participate in the decision-making process. Many students from different branches actively participated in the competitions and expressed their views on the importance of the Act in safeguarding citizens' rights and promoting an informed society. They highlighted how RTI has become a powerful tool for ordinary people to demand clarity in government functioning. Winners of the college-level competitions (1st and 2nd place) were nominated to participate in the District Level Competitions, and those who excelled at the district level were further selected for the Zonal Level Competitions. The programme not only celebrated two decades of the RTI Act but also motivated students to understand their democratic rights, responsibilities, and the significance of active civic engagement in nation-building.
