Community service Project:

Description :Community Service is a great way to help others and improve the community. CCE Project helps students to gain skill and experience. CCE Project is done by the Students with the guidance of the lectures of various departments in GDCW Srikakulam. The project is taken up by the Students as the Survey would be of great help to different groups of people in the community including Children, senior citizens and people with disabilities. The Project is also of great help to the students to see and learn the Practical Problems of that Community and to suggest certain solutions to the people in that communities. All the Students along with the Staff took part in the survey and visited different places in Srikakulam and came to know about the conditions of people in that area. The Project is of great experience to the students.
