DEPARTMENT OF SOCIAL WORK

BEST PRACTICES: 2023-24

Title of the Best practice: Seminars

Objective of the practice: To motivate the students to improve their communication Skills

Context: As part of the academic curriculum students motivate to present a paper in the classroom to improve the students communication and writing skills

The Practice: Total 10 students have given different seminar topics. Each one of them has to submit their seminar topics up to 15 min. This helps them to improve their communication skills and reduce the stage fear. Many of the students afraid to come forward gave the seminar. But practice helps them. This helps for students to participate in elocutions, debates and future programs without hesitation
