

GOVERNMENT COLLEGE FOR WOMEN (A), SRIKAKULAM

DEPARTMENT OF SOCIAL WORK

BEST PRACTICES: 2024-25

Title of the Best practice: Open Day Program

Objective of the Practice: The Open Day Program aims to motivate and encourage students to join the Women's College by offering them an engaging and informative experience. This program focuses on showcasing the institution's commitment to empowering women, highlighting academic excellence, and promoting the importance of social work. The event encourages prospective students to envision their future roles as change-makers and active participants in social initiatives.

Context and Practice: In a bid to attract a diverse group of students, the Women's College organizes an annual "Open Day Program" for potential enrollees. This event serves as a platform to showcase the college's facilities, academic offerings, and student support services, with an emphasis on the importance of social work and community involvement.

The program typically features:

Introduction to the College: A comprehensive overview of the institution's values, history, and programs, particularly those centred around women's empowerment and social justice.

Student and Alumni Testimonials: Current students and alumni share their experiences in both academic and extracurricular activities, particularly in social work initiatives, to inspire prospective students.

Interactive Workshops and Sessions: Workshops focusing on social issues, leadership, and community work, facilitated by faculty members and social work professionals. These sessions provide a glimpse into the impactful projects students are engaged in throughout their time at the college.

Campus Tour: A guided tour showcasing the college's infrastructure, classrooms, sports facilities, and social spaces, emphasizing how these contribute to an enriching educational experience.

Social Work Group Showcase: A special segment highlighting the various social work groups and community service projects run by the college's students. This includes presentations on initiatives related to women's rights, environmental sustainability, and other social causes.

Interactive Q&A Sessions: Prospective students can engage with faculty and current students in Q&A sessions to clarify doubts and gain more insights into life at the Women's College.
