

GOVT. COLLEGE FOR WOMEN, (A), SRIKAKULAM
(Accredited by NAAC 'A' GRADE)
Affiliated to Dr. B.R. Ambedkar University, Srikakulam.

DEPARTMENT OF MICROBIOLOGY

MINUTES OF THE DEPARTMENT

meeting dated 15-12-2024

Resolutions for Long-Term Internship:

1. Approval of Internship at Bharath Dream Fields Pvt. Ltd.:

- The institution has received an internship proposal from Bharath Dream Fields Pvt. Ltd., a startup specializing in mushroom culture.
- The firm provides a secured environment for girls to attend the training.

Internship Schedule:

- The long-term internship will be conducted from 16th December 2024 to 15th April 2025.
- Interested biology students are encouraged to participate, as mushroom cultivation is a promising entrepreneurship opportunity.

Skill Development and Learning Outcomes:

- Students will be trained in mushroom cultivation techniques, spawn preparation, and commercial production.
- The internship will help in enhancing practical knowledge and entrepreneurship skills among students.

Encouragement for Future Collaborations:

- The institution will explore more collaborations with startups and industries to provide hands-on training in biotechnology and microbiology-related entrepreneurship ventures.

2. Bridge Course for Minor Microbiology Students:

- A Bridge Course for minor students will be conducted since Semester II is the introductory course for minor Microbiology students.
- The course will cover technical terminology, key definitions, and an introduction to major microbiological groups.
- Pongal holidays are scheduled in between, so the Bridge Course will be conducted from 17-12-2024 to 27-12-2024 (5 days of sessions + 1 day for assessment test).
